The St. Louis Chapter of Bereaved Parents of the USA (BP/USA) prepared this cookbook featuring over 150 favorite recipes of our children who have died. Each recipe is accompanied by the parent's thoughts on grief, a poem they wrote to their child or sharing cherished memories. The goal of the cookbook is two-fold; to provide parents, families and friends with great recipes our children enjoyed and to give insight on how to relate and be helpful to anyone experiencing the loss of a loved one, especially the loss of a child. Throughout the cookbook you will also find information on how you can help ease the pain in someone's grief journey. A cookbook that will surely be read cover to cover.

I wish to thank all the parents for sharing their child's recipe but especially sharing their thoughts on grief. I have read the cookbook from cover to cover several times and each time I gain more insight into the grieving process and the power of parents helping other parents.
