**Some examples:**

Does this person have a knack for reaching out to newly bereaved parents, have they ever been a chapter leader, newsletter editor, facilitator, treasurer, presented a workshop, been a speaker, brought people to the meetings, helped with a gathering, been on the board, been on your local steering committee, helped raise funds for the group, or been of any special service to the group. There are far too many possible ways to serve for us to include them all here.

Please use the space provided to briefly list some of your nominee's accomplishments. You may then elaborate in your attached one page narrative.

**NOTE:** *This form is intended to provide a guideline on how to submit a nominee for the Roy & Juanita Peterson Award. It is important to recognize that our volunteers are the back bone of BP/USA. Without them, we couldn't provide the services that we do to our local community and beyond. Please honor your "hero" by nominating him or her for this annual distinction. The Nominee should be someone who has gone above and beyond his or her duties and truly had an impact for good in the grief community. Certainly many levels of participation and many well deserving volunteers exist within our organization. This form is to assist your writing the strongest recommendation possible for that well-deserving nominee.*
