NOTE: This form provides a guideline for submitting a nomination for the Chapter Leader Award. We are proud of the many levels of participation and the many well-deserving volunteers within our organization. We think it's important to recognize our extraordinary volunteers who are the backbone of BPUSA. Without them we could not provide the services that we do within our chapters and beyond. The Nominee should be someone who has gone above and beyond his or her duties as Chapter Leader and truly has been an impact for good in the grief community. Please honor your Chapter Leader by nominating him or her for this annual distinction. Help us get to know all about your well-deserving Nominee through your attached narrative.
